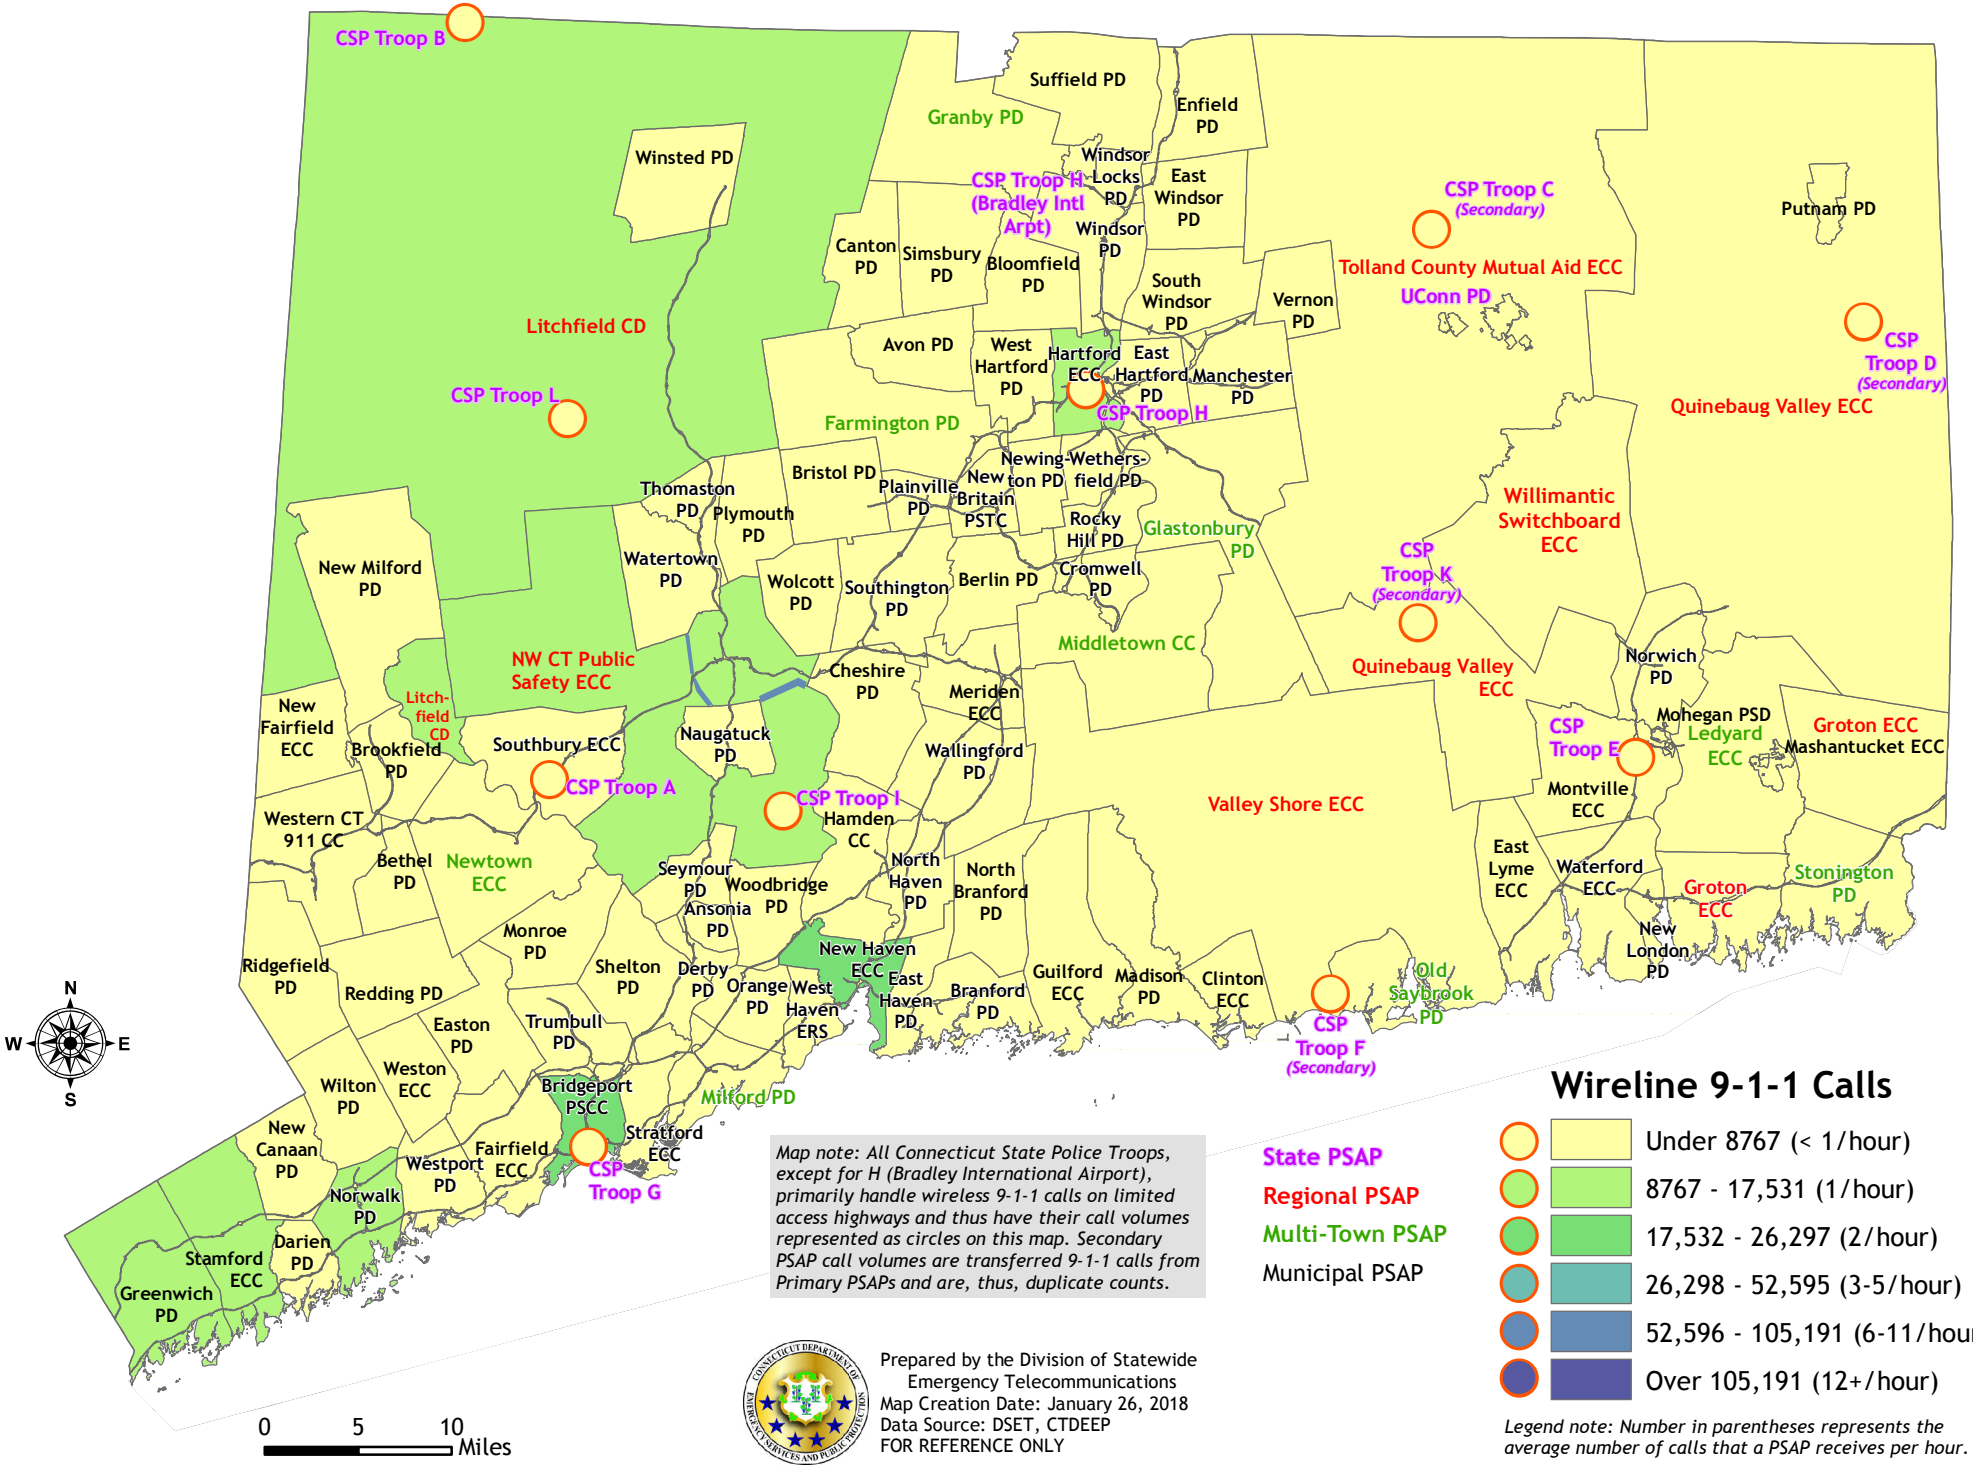
Connecticut Public Safety Answering Points - 2017



Map note: All Connecticut State Police Troops, except for H (Bradley International Airport), primarily handle wireless 9-1-1 calls on limited access highways and thus have their call volumes represented as circles on this map. Secondary PSAP call volumes are transferred 9-1-1 calls from Primary PSAPs and are, thus, duplicate counts.

State PSAP
Regional PSAP
Multi-Town PSAP
Municipal PSAP
