Jos. L. Dioguardi

1/12/28 - 50 #65861 C. moll.

8/1/34 Inopt. c.g.n.

No reply to our letter of 2/12/36

3/10/37 - Trees have done fine; bore a few nuts last year, got 1 bushel from 16 trees. Trees fertilized last spring. 6 trees were accidentally cut down, 4 just died from something similar to a dry rot. The 3 planted in the garden all dead, winter-killed. 2 were given away (new cards made); they were alive last fall.

July 1947 } see returned questionnaire for planting details
40 trees living, 250# nuts this year expected.
Sample 11 nuts received in Nov.
