Ward C. Bryant

3/6/30 - 3 #70314 C. moll.

Greenfield Mass.

Burgess

10/8/47 - A small quantity of chestnut
seed was sent from sprout trees
in Conway Mass. Sprouts were
located along the roadside of
Cricket Hill Road adjacent to the
property of Seymour F. Harris.

Trees are still alive on Mr.
Clesha property at Camp of Suptone
River Vermont. Trees are
still alive although they were
attacked by blight.
