1936 - Received some MAP- C. mollissima,  
from the lot sent to O. C. Boyd,  
Amherst, Mass.

July 1946 - Most of the trees died from dry weather  
or were winter killed. Those now living  
grow very slowly.

11/3/54 - Chinese chestnut trees which I received in 1936  
were planted out & several of them are living  
& bearing. Unfortunately, the hurricane this  
year did some damage & blew off all the nuts  
so that there was no crop. I have planted
