~~Wallace~~
Douglas S. Warner. (now living here)
Mt Royal ave + Lawale Sts, Balti, Md.

9/19/44 - "The chestnut trees that we planted have all remained free of blight." One sapling, planted close to a blighted stump has grown to good size & shows no evidence of the blight. The trees bore a few nuts 3 years ago, but Jap beetle has been very bad the past 2 summers.

July 1946 - 6 to 8 trees living. Jap beetles have stripped trees for past 5 summers.

Parkton, Md.
