

CAES

The Connecticut Agricultural Experiment Station

Putting Science to Work for Society since 1875

CAES SEMINAR SERIES

“Food Safety and ISO 17025 Accreditation”

Dr. Walter Krol

Associate Scientist, Dept. of Analytical Chemistry, CAES

Wednesday, March 4, 2020

12:00 noon to 1:00 p.m.

Food and coffee will be available at 11:45 a.m.

Jones Auditorium

The Connecticut Agricultural Experiment Station

123 Huntington Street, New Haven, CT

Major advances in both the methodology and technology used in pesticide residue testing in food samples have been made since 2006. Owing to the Food Safety Modernization Act (2011), the CAES gained accreditation to ISO 17025 in December 2016. A brief history of the pesticide residue testing program and ISO 17025 accreditation process will be presented.
