

CAES Seminar Series

“Inspection, registration, and early detection: activities of the Office of the State Entomologist”

Dr. Victoria L. Smith

Department of Entomology
CT Agricultural Experiment Station

Wednesday, January 6, 2016
12:00 noon to 1:00 p.m.

Food and coffee will be available at 11:45 a.m.

Jones Auditorium
The Connecticut Agricultural Experiment Station
123 Huntington Street, New Haven, CT

Statutory responsibilities of the Office of the State Entomologist include regulatory authority for pests and diseases of plants and honeybees. Our goal is to safeguard agriculture and forests of Connecticut through surveys to detect infestations, through monitoring of the health and vitality of the forests, and through inspection and registration of commodities and producers to assure their fine quality.
