Guests:

Danbury Fire Dept. - T.J. Wiedl

No one was present representing the Middlesex County Fire School

Minutes of the July 2011 meeting were distributed for review. Motion was made by Rich Nicol second by Chet Haber to accept the minutes as printed. The motion passed.

1. Status of properties acquisitions

Don Ouillette provided a written update on the property status for the various regional schools.

Willimantic - Survey team is scheduled to be on-site this week. First week in October if we get rain.

Beacon Falls - Wetland flagging is scheduled for next week.

2. Other projects status

Hartford County School - Construction is at 35% completion.

New Haven Regional Fire Academy - Ribbon Cutting is scheduled for October 13, at 11:30 a.m. Ted Schroll asked if there had been invitations printed and distributed. Jeff will be working with New Haven staff to work on the invitations and subsequent distribution.

Fairfield School - Geotech study is scheduled to be completed in October.

Burrville School - Awaiting an approved M.O.U.

The Design/Build architect screening meeting is scheduled for Tuesday, October 11.

3. Regional Fire Schools operations budgets.

Ted Schroll asked about the status of operational funding for the fire schools. Jeff reported that the requests had already been sent for the next quarterly payments.

4. Capital improvement plan - going forward.

Senator Crisco reportedly placed an inquiry with Senator Williams about the status of the fire school capital funding.

Deputy Commissioner of Construction Services, Salemi is reportedly pushing to get additional funding approved for the project.

There was a long discussion about the appropriate strategy to try to see the overall project accelerated to completion.

The C.F.D.I.A. has reported that the Governor has stated that he wanted to get four regional schools completed. Tom Murphy questioned the status of the Burrville property survey.

5. Live burn procedures for new Class A burn buildings.

No progress.

6. Other items from membership

Biennial midterm budget adjustments - Jeff reported that the current plans to reduce funding for firefighter training appear to remain uncertain. Jeff suggested that regional fire schools begin working on budget development.

Chet Haber commented on being impressed with the turnout for the ground-breaking ceremony. All of the pre-fabricated components for the burn building are now on site. He reported that the training room floor was changed to carpet for its acoustic value. They plan to make use of existing hydrants for water supplies. PDS gets high marks for quality and quantity of construction. Jim Baldis distributed copies of his power point presentation for all regional fire schools.

Ted and Charlie Stankye expressed concern with comments that were encouraging legislators to “stay the course” on the capital projects. They are both concerned that the committee members remain unified in their lobbying efforts. They both encourage that the committee sets the agenda and that all regional schools follow that agenda. They caution that changes in message will cause legislators and administrators to loose interest.

Al Hawkins reported that Senator Prague is attempting to get a meeting scheduled with Don Williams.

After that meeting, Al feels that it is important to sit down with Deputy Commissioner Salemi to discuss the status of the various projects.

7. Next meeting date

October 27, 2011 at Wethersfield Company #3, at 19:00.

Motion by Rich Winn, second by Chris Tracy to adjourn, motion carried.
