

## **CPAT Cancellations by the Connecticut Fire Academy**

Parameters set by the International Association of Firefighters and the International Association of Fire Chiefs has set very high standards for the proper delivery of CPAT. Maintaining consistency for ALL candidates is a priority. **Therefore, CPAT may be cancelled due to a number of conditions affecting testing.** The main reason for cancellation is **adverse weather.**

The weather can be very unpredictable. Do not rely on your local weather reports, as the conditions may be different at the test site. It is highly recommended that you call 877-528-3473 (in state), (860) 627-6363 (out of state) extension 415 PRIOR to traveling to the testing site. There will be a prerecorded message stating that that the test is either running or has been cancelled.

Unfortunately, the test can be cancelled at the last minute. If you are traveling a long distance we encourage you to call extension 415 several times during your travel.

If the CPAT test is cancelled the message on extension 415 will state how and or when you will be notified of the rescheduled CPAT test date.
