

## **Fire Safety Program Toolkit**

The Centers for Disease Control and Prevention, with assistance from the U.S. Fire Administration has developed a Fire Safety Program Toolkit to help you learn about the five basic steps to create or enhance a fire safety education program for your community. Whether you are just getting started in fire safety education, or you are a seasoned educator, this toolkit will get you on your way to a successful program meeting the specific needs of your community.

To download the toolkit visit:
