

2020 SPECIAL OPPORTUNITY FOR FUNDING

CADET TRAINING AT THE CONNECTICUT FIRE ACADEMY

We are hopeful that the CT Division of Forestry will have an opportunity to assist Fire Departments, who are located in towns with a population under 10,000, with expenses associated with sending cadets to the Connecticut Fire Academy **'Introduction to the Fire Service'** (Cadet Training) class this summer. There is one session scheduled for July 13th to July 18th (ages 14-17).

If you are an eligible Department and wish to send a cadet to this training this summer we may be able to assist you with funding. We will be able to help select students with \$650 toward the expenses. If you have cadet(s) and wish some financial assistance please provide the information requested below and send it to the Division of Forestry by the C.O.B **Friday, March 6th, 2020**. Please note that we have limited funds so we may have to restrict the funding to any one fire department and/or prioritize eligible fire departments to equitably distribute funds.
