RE: **DOCKET NO. 399** – Bay Communications II LLC Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located at 166 Pawcatuck Avenue, Stonington, Connecticut.

Dear Attorney Regan:

At a public meeting of the Connecticut Siting Council (Council) held on October 17, 2013, the Council approved the transfer of the Certificate of Environmental Compatibility and Public Need (Certificate) from T-Mobile Northeast, LLC to Bay Communications. This approval of transfer is consistent with State law and conditioned on the consent of Bay Communications to comply with all the terms, limitations, and conditions contained in said Certificate issued on August 26, 2010 and on the timely payment of apportioned assessment charges for the facility under Connecticut General Statute § 16-50v(b)(2).

Thank you for your attention and cooperation. Please call me directly if you have any questions regarding the Council's approval of this proposed transfer of Certificate.

Very truly yours,

Robert Stein
Chairman

RS/CDM/jb
