RE: **DOCKET NO. 470** – NTE Connecticut, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 550-megawatt dual-fuel combined cycle electric generating facility and associated electrical interconnection switchyard located at 180 and 189 Lake Road, Killingly, Connecticut.

---

On January 18, 2019, pursuant to the provisions of Connecticut General Statutes §4-181a(b), NTE Connecticut, LLC filed a Motion to Reopen and Modify the Connecticut Siting Council's (Council) May 11, 2017 decision to deny without prejudice a Certificate of Environmental Compatibility and Public Need to NTE Connecticut, LLC for the above-referenced, proposed electric generating facility and associated electrical interconnections in the Town of Killingly.

The Motion to Reopen and Modify the Council's May 11, 2017 decision will be placed on the Council meeting agenda scheduled for February 14, 2019 for Council consideration.

Parties and intervenors are requested to submit comments or statements of position in writing to the Council with respect to whether the Motion to Reopen and Modify should be granted or denied before the close of business on February 7, 2019.
