RE: **DOCKET NO. 190** – Meriden Gas Turbines, LLC Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of 530MW combined cycle generating plant in Meriden, Connecticut.

Dear Attorney Lord:

On March 3, 2011 the Connecticut Siting Council (Council) considered your request for an extension of construction time in this docket, dated July 6, 2010, and granted an extension of time until April 27, 2016, to complete the construction of this project. This extension is granted with the understanding that the Council will be notified should the applicant decide not to proceed with construction.

Very truly yours,

Linda Roberts
Executive Director

LR/CMW/laf
