RE: **DOCKET NO. 343** - MCF Communications bg, Inc and Omnipoint Communications, Inc. application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located at 237 Sandy Hollow Road, Groton, Connecticut.

The Connecticut Siting Council (Council) is in receipt of a submittal (enclosed) dated November 30, 2007 from MCF Communications bg, Inc. and Omnipoint Communications, Inc., the applicants in the proceeding listed above. The Council's deadline for the close of the record was November 29, 2007.

In order that the Council may consider this information, we request that all parties and intervenors respond by December 21, 2007, as to whether there is objection to the Council adding this material to the record. If we receive no objection by this date, the Council will add this material to the record.

If any party or intervenor requests the opportunity to cross-examine the applicants' submittal, the Council will consider holding an evidentiary hearing for the limited purpose of cross-examination on the late-filed information. If a party or intervenor does not wish to cross-examine the submittal but wishes to provide comments on the submittal they may do so, in writing, by December 21, 2007, or request an extension of time to file written comments.
