RE: Sprint & CL&P's Joint Application for a Certificate / Haddam

Dear Chairman Caruso:

On behalf of Sprint Nextel Corporation ("Sprint") and The Connecticut Light and Power Company ("CL&P"), enclosed are an original and twenty-five copies of their joint application for a certificate of environmental compatibility and public need for the construction of a telecommunications facility off of Cove Road in Haddam, Connecticut (the "Application"). In addition, four full-size site plans and four copies of the Town of Haddam's Zoning Regulations and Inland Wetlands and Watercourses Regulations are included for bulk filing. A disk with an electronic copy of the Application and bulk files is also enclosed.

A check in the amount of \$1,000.00 is attached in payment of the filing fee for the Application.

A copy of the Application has been served on the parties required by Conn. Gen. Stat. § 16-501(b). For a list of those parties, see Tab 5 of the Application. If any of those parties would like the site staked out prior to the site walk on the date of the public hearing, I will be pleased to make the appropriate arrangements.

Very truly yours,

BROWN RUDNICK BERLACK ISRAELS LLP
