Sprint PCS Site #CT33XC019

Dear Ms. Denatamaro:

The State Historic Preservation Office has reviewed the reconnaissance survey prepared by Heritage Consultants LLC concerning the above-named project. In the opinion of the State Historic Preservation Office, the archival and archaeological methodologies employed by Heritage Consultants LLC are consistent with our *Environmental Review Primer for Connecticut's Archaeological Resources*.

The State Historic Preservation Office has also reviewed the NT Submission Packet, prepared by Vanasse Hangen Brustlin Inc., concerning the proposed undertaking. This office expects that the proposed telecommunications facilities will have no effect on historic, architectural, or archaeological resources listed on or eligible for the National Register of Historic Places.

This comment is provided in accordance with the National Historic Preservation Act and the Connecticut Environmental Policy Act:

For further information, please contact Dr. David A. Poirier, Staff Archaeologist.
