**Re: Docket No. 360 – Application of Cellco Partnership d/b/a Verizon Wireless for a Certificate of Environmental Compatibility and Public Need for the Construction, Maintenance and Operation of a Wireless Telecommunications Facility at the Falls Village Fire Department Property, 188 Route 7, Falls Village, Connecticut**

Dear Mr. Phelps:

Enclosed please find an original and 20 copies of the following items:

1. Revised witness and exhibit list for the applicant, Cellco Partnership d/b/a Verizon Wireless (“Cellco”).
2. Cellco’s responses to interrogatories from Intervenor Dina Jaeger.
3. Pre filed testimony of Alejandro Restrepo, Radio Frequency Engineer with Cellco, including attachments.
4. Pre-filed testimony of Anthony Wells, with C-Squared Systems, including attachments.
5. A table of existing and proposed coverage at certain site locations in the Falls Village area. The locations selected were those identified by Intervenor’s counsel during the July 1, 2008 hearing.
6. Resumes of Cellco’s technical witnesses including Michael Libertine and Dean Gustafson with VHB Inc. and Carlo Centore P.E. with Natcomm, Inc.

Cellco will seek to have each of the above-listed items admitted as full exhibits at the continuation of the Docket No. 360 public hearing on July 31, 2008.

Also enclosed is the original and 20 copies of Cellco's Motion to Preclude certain evidence, exhibits, written testimony, oral statements or other information regarding, related to, or otherwise associated with the environmental effects of Radio Frequency Emissions from the proposed Falls Village facility. I would request that this motion be addressed prior to the commencement of the continued hearing on July 31, 2008.

Please feel free to contact me if you have any questions regarding any of this information.

Sincerely,

Kenneth C. Baldwin
