HEARING NOTICE

Pursuant to provisions of General Statutes § 16-50m and Section 16-50j-21 of the Regulations of Connecticut State Agencies, notice is hereby given that the Connecticut Siting Council (Council) will conduct a public hearing on Tuesday, August 5, 2008, beginning at 3:00 p.m., and continued at 7:00 p.m., at the Putnam Middle School Auditorium, 35 Wicker Street, Putnam, Connecticut, and thereafter as necessary. The hearing will be on an application from Cellco Partnership d/b/a Verizon Wireless for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located at 165 Elmwood Hill Road, Putnam, Connecticut.

The purpose of the hearing is to hear evidence on the applicant's contentions that the public need for the facility outweighs any adverse environmental effects that would result from the construction, operation, or maintenance of a tower, ground equipment, and access road. The 3:00 p.m. hearing session will provide the applicant, parties, and intervenors an opportunity to cross-examine positions. The applicant will be allowed a final rebuttal. Briefs will be entertained after the close of the last hearing session. The 7:00 p.m. hearing session will be reserved for the public to make brief statements into the record. Cross-examination of parties and intervenors will resume, if necessary, after all statements have been heard.

The Council will conduct a public field review of the proposed site on Tuesday, August 5, 2008, beginning at 2:00 p.m. The applicant will fly a balloon during the field review, weather permitting, to simulate the height of the proposed facility.

Applicable law for this proceeding includes the Public Utility Environmental Standards Act, General Statutes § 16-50g, et seq., and Sections 16-50j-1 through 16-50v-1a of the Regulations of Connecticut State Agencies.

The Council will hold a pre-hearing conference on procedural matters on Wednesday, July 16, 2008, beginning at 10:00 a.m. at the Council's office, 10 Franklin Square, New Britain, Connecticut.

The Council directs that all testimony and exhibits be pre-filed with the Council and all parties and intervenors by July 29, 2008. In accordance with the State Solid Waste Management Plan, the Council requests that all filings be submitted on recyclable paper, primarily regular weight white office paper. Please avoid using heavy stock paper, colored paper, and metal or plastic binders and separators.

Individuals are encouraged to participate through their elected officials, and other party/intervenor groupings.

Any person seeking to be named or admitted as a party or intervenor to the proceeding may file a written request to be so designated at the office of the Connecticut Siting Council, 10 Franklin Square, New Britain, Connecticut 06051, on or before July 29, 2008.

Parties and intervenors will be allowed to submit briefs and proposed findings of fact within 30 days after the close of the hearing.

Any person who is not a party or intervenor to this proceeding may file a written statement with the Council at the hearing or any time up to 30 days thereafter. Such statements will become part of the record. No written statement or any other material, evidence, or other information will be accepted from any person not a party or intervenor to the proceeding after 30 days following the close of the hearing, except as otherwise prescribed by law or the Council.

A verbatim transcript of the hearing session(s) will be made and deposited with the Town Clerk's Office of the Putnam Town Hall and the Thompson Town Hall for the convenience of the public.

Requests for information in alternative formats or for sign-language interpreter services must be submitted in writing by July 29, 2008.

The applicant of this facility is represented by the following:

Robert Viens, Mayor
Town of Putnam
126 Church Street
Putnam, CT 06260

RE: Hearing Date - August 5, 2008, in connection with **DOCKET NO. 362** - Cellco Partnership d/b/a Verizon Wireless application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located at 165 Elmwood Hill Road, Putnam, Connecticut.

Dear Mayor Viens:

The Connecticut Siting Council (Council) has scheduled a public hearing in your town in connection with the above-referenced proceeding. I am writing to invite you to participate in this hearing.

The Council fully understands that municipal input and guidance is absolutely necessary to achieve a thoughtful and balanced decision in matters such as this. Accordingly, I am extending to you my personal invitation to participate in the hearing that is scheduled on August 5, 2008.

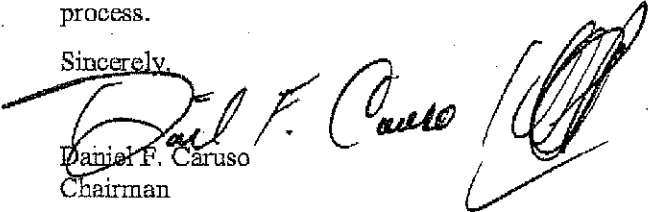

Please be advised that the Council's processes enable the affected municipal governments to engage in meaningful discourse and, if they choose, to even assert a legal role in the proceedings of applications that come before the Council. Municipalities are afforded a right of pre-filed technical information and consultation with applicants 60 days before an application is filed with the Council. During this period the municipality may conduct public hearings and meetings, as it deems necessary. Both the municipal and applicant filings become part of the Council's record.

Once an application is filed with the Council at least one public hearing is held in the affected community as well as a public inspection of the proposed site. Your participation at such hearing may take many forms; municipal officials may make opening statements to the Council, present written documents, or may seek Party or Intervenor Status and put on a case with witnesses.

Our staff is available to assist you in understanding our process and your options. If you have questions, please contact Executive Director S. Derek Phelps (860 827-2935). In the event you have legal questions, please contact our Assistant Attorney General Robert Marconi (860 827-2682).

The Council weighs many issues before rendering its decisions. It is important that we know the Town's views as part of that decision making process. We hope you will take part in our hearing process.

Sincerely,

Daniel F. Caruso

Partnership d/b/a Verizon Wireless application for a Certificate of Environmental
Compatibility and Public Need for the construction, maintenance and operation of a
telecommunications facility located at 165 Elmwood Hill Road, Putnam, Connecticut.

Dear First Selectman Groh:

The Connecticut Siting Council (Council) has received an application for the above referenced
project that entails the construction of an 80-foot telecommunications tower in the Town of
Putnam. Connecticut General Statute § 16-501(p) provides for municipalities within 2,500 feet of
a proposed facility to receive adequate notice of the project. The Town of Thompson is within
2,500 feet of the proposed facility.

The Council fully understands that municipal input and guidance is absolutely necessary to
achieve a thoughtful and balanced decision in matters such as this. Accordingly, I am extending
to you my personal invitation to participate in the hearing for this proceeding that is scheduled in
the Town of Putnam on Tuesday, August 5, 2008.

Please be advised that the Council's processes enable the affected municipal governments to
engage in meaningful discourse and, if they choose, to even assert a legal role in the proceedings
of applications that come before the Council. Municipalities are afforded a right of pre-filed
technical information and consultation with applicants 60 days before an application is filed with
the Council. During this period the municipality may conduct public hearings and meetings, as it
deems necessary. Both the municipal and applicant filings become part of the Council's record.
