Re: Availability of City Owned Property
35 Hayestown Road as an Alternate Tower Site in Docket 366

Dear Chairman Caruso and Members of the Council:

I write to let you know that the City of Danbury owns property located at 35 Hayestown Road, which property could potentially be utilized as an alternate site for the telecommunications tower currently proposed to be located at 52 Stadley Rough Road in the above mentioned docket. This City-owned parcel of land is 3.27 acres in size, and is developed with a two story 22,000 square foot building, which is owned and operated by the Police Athletic League. The surrounding land, exclusive of the 22,000 square foot building is approximately 2.46 acres, which is also surrounded by other parks and open space of approximately 39 acres. The site is located at the southernmost end of Candlewood Lake; across Hayestown Road from the Candlewood Town Park.

This alternate site is available for your consideration, subject to terms acceptable to the City, as well as all necessary approvals by the Common Council and any other applicable boards and agencies. Further, we welcome any visit to this property that is necessary to further analyze the viability of the site. City personnel are available to meet immediately with the applicant to discuss this matter in further detail. Thank you for your consideration of this very important matter.

Sincerely yours,

A handwritten signature in black ink, appearing to read "M. D. Boughton".

Mark D. Boughton, Mayor
