October 20 2008

Objection to Administrative Notice of Docket Number 357

The City of Danbury hereby objects to the applicant's motion for the Siting Council to take administrative notice of the application materials contained in Docket Number 357. The application materials from Docket Number 357, dated February 15, 2008, pertain to an application filed by Wireless EDGE Fairfield Group LLC for a certificate of environmental compatibility and public need for the construction, maintenance and operation of a telecommunications facility located at Margerie Reservoir Water Filtration Plant, Peck Road in Danbury. The City of Danbury respectfully submits that the application materials are immaterial and irrelevant to the present application, as Docket Number 357 is not an active application for consideration by the Siting Council. It does not appear under the docket section on the Council's website. Therefore, any materials contained in the application materials are not germane to the current proceeding.

Wherefore, the City of Danbury respectfully requests that its objection be sustained and the Siting Council decline to take administrative notice of the application materials from Docket Number 357.
