**Re: Docket No. 370 – The Connecticut Light and Power Company Application  
for a Certificate of Environmental Compatibility and Public Need for the  
Greater Springfield Reliability Project – Request for Approval of Partial  
Transfer of Rights and Obligations**

Dear Chairman Stein,

In the joint request submitted by CL&P and UI dated January 10, 2013, the first sentence on page 2 of 3 reads, in relevant part:

The tangible personal property consists of wires, poles, conductors, fixtures and ancillary equipment located in Bloomfield, Granby and Suffield, Connecticut ....

Please note that the reference to “Granby” should have been to “East Granby”. Accordingly, on behalf of CL&P and UI, as authorized by Bruce McDermott, Esq., I hereby revise our January 10<sup>th</sup> request with this correction and respectfully ask that the Siting Council’s decision also reflect this correction. Thank you.
