RE: **DOCKET NO. 370** - The Connecticut Light and Power Company Certificate of Environmental Compatibility and Public Need for the Connecticut portion of the Greater Springfield Reliability Project that traverses the municipalities of Bloomfield, East Granby and Suffield, Connecticut. Request for Approval of Partial Transfer of Rights and Obligations.

Dear Attorney Dubuque and Attorney McDermott:

At a public meeting of the Connecticut Siting Council (Council) held on January 24, 2013, the Council approved the joint request for partial transfer of the Certificate of Environmental Compatibility and Public Need (Certificate) from The Connecticut Light & Power Company (CL&P) for certain transmission facilities and related assets of the Greater Springfield Reliability Project to The United Illuminating Company (UI), identified in the joint request dated January 10, 2013. This approval of transfer is consistent with State law and conditioned on the consent of UI to comply with all the terms, limitations, and conditions contained in said Certificate issued on March 16, 2010.

Thank you for your attention and cooperation. Please call me directly if you have any questions regarding the Council's approval of this proposed partial transfer of Certificate.

Very truly yours,

Robert Stein
Chairman
