TO: Council Members

FROM: S. Derek Phelps, Executive Director

RE: **DOCKET 370A** - The Connecticut Light & Power Company application for Certificates of Environmental Compatibility and Public Need for the Connecticut Valley Electric Transmission Reliability Projects which consist of (1) The Connecticut portion of the Greater Springfield Reliability Project that traverses the municipalities of Bloomfield, East Granby, and Suffield, or potentially including an alternate portion that traverses the municipalities of Suffield and Enfield, terminating at the North Bloomfield Substation; and (2) the Manchester Substation to Meekville Junction Circuit Separation Project in Manchester, Connecticut.

The Connecticut Siting Council has scheduled a field trip to review the proposed route for the Manchester to Meekville Junction Project, which will traverse Manchester. The field review will be held on Tuesday, June 16, 2009.

The Council will meet at 3:00 p.m. at the Lincoln Center at 494 Main Street, Manchester, CT. The applicant will briefly summarize the route prior to boarding the bus that will drive the route. Directions are enclosed.

A public hearing is scheduled for 6:30 p.m. in the Lincoln Center Hearing Room.
