Re: **Docket No. 372 – Application Of Cellco Partnership d/b/a Verizon Wireless For A Certificate Of Environmental Compatibility And Public Need For The Construction, Maintenance And Operation Of A Wireless Telecommunications Facility At 631 Orange Avenue, Milford, Connecticut**

In that letter I asked the Council to "suspend" its schedule with respect to this Docket No. 372 in light of the Council's request for additional information and an evaluation of alternative sites.
