DEREK CREASER

SR PROJECT MANAGER / CONSTRUCTION ENGINEER

CURRENT PROFESSIONAL EXPERIENCE

Mr. Creaser has been with Hudson Design Group LLC for the past 2 years. He is currently responsible for all A/E work undertaken in the Connecticut market for AT&T, along with being a Project Manager on the metroPCS project. Mr. Creaser manages all aspect of the site design from the initial feasibility walk through final construction drawings and inspections. Mr. Creaser is also responsible for all code compliance review of projects completed by HDG, with many years previous experience working for the Massachusetts Department of Public Safety. In addition, he is also the company's safety officer and is responsible for maintaining the company's Health and Safety policy along with OSHA training for the staff.

PRIOR PROFESSIONAL EXPERIENCE

2002-2005 *Department of Public Safety* *Boston, MA*

1997-2000 *Division of Inspections*

State Building Inspector

- Provided technical assistance, design review, and inspection of large complex projects such as the Central Artery Tunnel Project, the new Suffolk County Court House, the Walnut Hill Water Treatment Center and the Boston Convention Center Project.
- Enforced the State Building Code, Architectural Access Board Regulations and referenced standards as related to any building or structure owned by the Commonwealth.
- Reviewed specific orders and decisions of local building officials or building commissioners and supervised enforcement of the Code by those departments.
- Provided technical expertise to local building departments, builders, attorneys, engineers, architects, and the general public.
- Mediated conflicts between local building officials and permit applicants.
- Evaluated administrative and inspectional practices of local building departments and recommended improvements.
- Designed, developed and conducted periodic training workshops and seminars for local inspectors.
- Performed special investigations of construction supervisor's licenses, construction accidents, and building fires.

2000-2002 *Atlantic Western Consulting* *Woburn, MA*

Construction Engineer

- Supervised multiple construction projects for Sprint PCS and others to completion on time and on budget.
- Coordinated design visits and established design criteria for engineers, property owners and clients.
- Reviewed zoning drawings, construction plans, specifications and leases to identify cost-effective design alternatives.
- Presented projects at Planning board and Zoning board hearings.
- Established and controlled overall project schedule.
- Prepared construction bid packages for solicitation of competitive bids.
- Obtained building permits in various cities and towns, including Boston.

DANIEL P. HAMM

PRESIDENT

CURRENT PROFESSIONAL EXPERIENCE

Mr. Hamm has been President of Hudson Design Group LLC, since its incorporation in 2002.
