RE: **DOCKET NO. 373** - New Cingular Wireless PCS, LLC (AT&T) application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located at the St. Matthew Lutheran Church, 224 Lovely Street, Avon, Connecticut.

The Connecticut Siting Council (Council) announces that the evidentiary hearing for this application will continue at 1:00 p.m. on Tuesday, July 7, 2009, in Hearing Room One, Ten Franklin Square, New Britain, Connecticut.

Before June 30, 2009, all parties and intervenors are strongly encouraged to exchange pre-hearing interrogatories and exchange pre-filed testimony, exhibits, witness lists, and items to be noticed administratively with all other parties and intervenors. The failure of a party or intervenor seeking information via interrogatories may result in an opposing party or intervenor of not having the desired information at the hearing. Moreover, the failure of parties or intervenors to avail themselves of the opportunity to file interrogatories shall not be an excuse for seeking an additional hearing session.

Please note, the Council considers the use of pre-hearing interrogatories to be exceptionally helpful in assuring that evidence of a technical nature is available at the hearing. To save the time and expense for participants, all parties and intervenors are encouraged to resolve discrepancies of these items before the hearing. If any parties or intervenors have an objection to an interrogatory and such objection is not resolved prior to the resumption of the hearing, the objecting party or intervenor shall be prepared to respond to such interrogatories at the hearing. The Council will rule upon the objection.

Additionally, those parties and intervenors that were requested at the April 29, 2009 hearing to submit additional information (pages 297-298 of April 29, 2009 Transcript) to other parties and intervenors or to the Council, should do so by June 30, 2009.

If you have any questions about Council procedures, please do not hesitate to contact the Custodian of the docket, Jessica Brito at the Council office. Thank you.
