Please note the pre-hearing conference memo dated March 11, 2009 that presented the Council's hearing procedures contained an error. Item No. 5 contained an incorrect pre-file date and should read as follows:

5. The Council requests that all testimony and exhibits be pre-filed with the Council and all parties and intervenors by March 24, 2009. In accordance with the State Solid Waste Management Plan, the Council is requesting that all filings be submitted on recyclable paper, primarily regular weight white office paper. Please avoid using heavy stock paper, colored paper, and metal or plastic binders and separators.

If you have any questions regarding this change, please contact me at 860.827.2935.
