All parties and intervenors will then be allowed to present their exhibits and witness panels in the order in which they were made parties and intervenors, and be subject to cross-examination by the applicant and all other parties and intervenors. The applicant will be allowed a final rebuttal. Arguments will be entertained in writing after the close of the last hearing session.
3. The 7:00 p.m. hearing session will be first reserved for the public to make brief statements into the record.
4. If time remains, the 7:00 p.m. hearing session will provide the applicant, parties, and intervenors an opportunity to complete their presentations and cross-examination.
5. The Council requests that all testimony and exhibits be pre-filed with the Council and all parties and intervenors by March 31, 2009. In accordance with the State Solid Waste Management Plan, the Council is requesting that all filings be submitted on recyclable paper, primarily regular weight white office paper. Please avoid using heavy stock paper, colored paper, and metal or plastic binders and separators.
6. The Council will provide an opportunity for the public officials to make a statement at the hearing.

7. No repetition of facts will be allowed.
8. A verbatim transcript of the hearing session will be made and deposited with the Avon Town Hall for the convenience of the public.
9. Parties and intervenors will be allowed to submit briefs and proposed findings of facts within 30 days after the close of the hearing.
10. Members of the public will be allowed to submit public statements into the record within 30 days after the close of the hearing.
