**Re: Docket 378  
Prior Professional Obligation  
on June 2, 2009**

Dear Council:

I am lead counsel for Concerned Residents of Warren and Washington (CROWW), a party in the above-named proceeding. I have a prior professional obligation to assist in the oral argument of a constitutional case before the New York State Court of Appeals in Albany, New York on June 2, 2009 at 2 p.m.

Mr. Phelps' Memorandum of April 28, 2009 indicates an intention to conduct a continued hearing in this matter on June 2. I therefore respectfully request that the continued hearing be re-scheduled for either June 1 or June 3 so that I can honor both professional commitments.

Respectfully yours,

Gabriel N. Seymour  
Attorney for CROWW
