Re: Docket 379, Certificate Application for Proposed Telecommunications Facility at 12 Burr Road, Bloomfield, Connecticut

Dear Mr. Phelps:

As you are aware, this office represents SBA Towers II, LLC ("SBA"), the applicant in the above-captioned docket. I am writing to clarify that Omnipoint Communications, Inc. ("T-Mobile:") is not a co-applicant in this docket nor does SBA represent any interests of T-Mobile. SBA (then Optasite Towers LLC) did run legal notice in the Hartford Courant in October, 2008 concerning the filing of this application, which indicated that T-Mobile would be a co-applicant. However, as you will note from the application itself, T-Mobile is not a co-applicant. This was also clarified in the second legal notice published in the Hartford Courant. Please let me know if you have any questions.

Respectfully submitted,

Carrie L. Larson
