RE: **DOCKET NO. 388** - New Cingular Wireless PCS, LLC (AT&T) application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located at 1990 Litchfield Turnpike, Woodbridge, Connecticut.

Dear Attorneys Fisher and Laub:

The Connecticut Siting Council (Council) requests your responses to the enclosed questions no later than May 31, 2010. To help expedite the Council's review, please file individual responses as soon as they are available.

Please forward an original and 15 copies to this office. In accordance with the State Solid Waste Management Plan, the Council is requesting that all filings be submitted on recyclable paper, primarily regular weight white office paper. Please avoid using heavy stock paper, colored paper, and metal or plastic binders and separators. A list of parties and intervenors dated September 24, 2009, is enclosed. Fewer copies of bulk material may be provided as appropriate.

Yours very truly,

S/ Derek Phelps  
Executive Director

SDP/MP

c: Council Members  
Parties and Intervenors

**Docket No. 388**  
**Post-Hearing Questions**

1. Has New Cingular Wireless PCS, LLC (AT&T) evaluated all Connecticut Light and Power Company (CL&P) transmission lines in the vicinity of the proposed tower site for possible co-location in order to meet its coverage objectives? Explain. Also indicate which lines were evaluated and provide the line numbers.
  
2. Do any of the CL&P transmission lines in the vicinity of the proposed tower have a number 2 rating or number 1 rating with respect to obtaining outages? If yes, provide the line number(s) and indicate whether any structures on that line would provide suitable coverage to AT&T's target area. If any of the structures could provide suitable coverage, provide the structure numbers.
