***Re: Docket No. 391, Application by T-Mobile Northeast LLC
for a Certificate of Environmental Compatibility and Public
Need for a Telecommunications Facility at 232 Shore Road
in the Town of Old Lyme, Connecticut***

Dear Attorney Bachman:

Please accept this correspondence on behalf of my client, T-Mobile Northeast, LLC ("T-Mobile") regarding the Certificate of Environmental Compatibility and Public Need for a telecommunications facility located at 232 Shore Road, Old Lyme Connecticut, which was approved in Docket No. 391.

T-Mobile has recently sold the tower in the above referenced docket to Bay Communications II, LLC ("Bay") and therefore requests the Certificate granted by Decision and Order dated September 23, 2010 be transferred to Bay. Pursuant to the requirements of Connecticut General Statutes Section 16-50k(b), Bay understands that it must comply with the terms and conditions contained in that Certificate. The transfer of this Certificate was not contemplated at any point prior to or during the Council's approval of Docket No. 391.

The contact information for Bay is as follows:

Bay Communications II LLC
James R. Riley, Manager
391 Oakland Street, Second Floor
Mansfield, MA 02048
Office: (774) 719-2146 / Fax: (774) 719-2135
jriley@baycommunicationsllc.com

We would appreciate it if this request could be placed on the Council's next agenda.
Please let me know if you have any questions.

Very truly yours,

Julie D. Kohler
