**Re: Docket No. 392 – Application of T-Mobile Northeast LLC,  
For a Certificate of Environmental Compatibility and Public  
Need for the Construction, Maintenance and Operation of a  
Telecommunications Facility at 387 Shore Road in  
the Town of Old Lyme, Connecticut**

Dear Ms. Roberts:

On October 25, 2010, the Connecticut Siting Council ("Council") mailed its approval of a Certificate of Environmental Compatibility and Public Need to the Applicant, T-Mobile Northeast LLC ("T-Mobile"), regarding the telecommunications facility ("Facility") proposed in the above-captioned docket. According to the Decision and Order ("D&O"), T-Mobile must complete construction and bring the Facility on-air by April 25, 2012. T-Mobile has not completed construction of the Facility and, therefore, respectfully requests a 6 month extension of time until October 25, 2012, in which to comply with the Council's D&O, specifically Orders 7 and 8.

Very truly yours,

  
Jesse A. Langer
