Re: DOCKET NO. 396 – SBA Towers, II, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located at 49 Brainard Road, Niantic (East Lyme), Connecticut

Dear Mr. Phelps:

This firm represents the Town of East Lyme, a party in the above referenced matter. It was my understanding that on February 23rd SBA would put on its case first, followed by Verizon and Cingular. I am writing to request that the Town begin its cross examination of SBA and the other "affirmative" parties after they have presented their cases.

I do not believe there are any objections to my request.

Very truly yours,

Tracy M. Collins, of
