HEARING NOTICE

Pursuant to provisions of General Statutes § 16-50m and Section 16-50j-21 of the Regulations of Connecticut State Agencies, notice is hereby given that the Connecticut Siting Council (Council) will conduct a public hearing on Thursday, March 11, 2010, beginning at 3:00 p.m., and continued at 7:00 p.m., at the Woodstock Town Hall, 415 Route 169, Woodstock, Connecticut, and thereafter as necessary. The hearing will be on an application from Celco Partnership d/b/a Verizon Wireless for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located at 445 Prospect Street, Woodstock, Connecticut.

The purpose of the hearing is to hear evidence on the applicant's contentions that the public need for the facility outweighs any adverse environmental effects that would result from the construction, operation, or maintenance of a tower, ground equipment, and access road. The 3:00 p.m. hearing session will provide the applicant, parties, and intervenors an opportunity to cross-examine positions. The applicant will be allowed a final rebuttal. Briefs will be entertained after the close of the last hearing session. The 7:00 p.m. hearing session will be reserved for the public to make brief statements into the record. Cross-examination of parties and intervenors will resume, if necessary, after all statements have been heard.

The Council will conduct a public field review of the proposed site on Thursday, March 11, 2010, beginning at 2:00 p.m. The applicant will fly a balloon during the field review to simulate the height of the proposed facility.

Applicable law for this proceeding includes the Public Utility Environmental Standards Act, General Statutes § 16-50g, et seq., and Sections 16-50j-1 through 16-50v-1a of the Regulations of Connecticut State Agencies.

The Council will hold a pre-hearing conference on procedural matters on Monday, February 22, 2010 beginning at 10:00 a.m. at the Council's office, 10 Franklin Square, New Britain, Connecticut.

The Council directs that all testimony and exhibits be pre-filed with the Council and all parties and intervenors by March 4, 2010. In accordance with the State Solid Waste Management Plan, the Council requests that all filings be submitted on recyclable paper, primarily regular weight white office paper. Please avoid using heavy stock paper, colored paper, and metal or plastic binders and separators.

The Honorable Allen D. Walker, Jr.
First Selectman
Town of Woodstock
Town Office Building
415 Route 169
Woodstock, CT 06281

RE: Hearing Date - March 11, 2010 in connection with **DOCKET NO. 397** - Celco Partnership d/b/a Verizon Wireless application for a Certificate of Environmental Compatibility and Public need for the construction, maintenance and operation of a telecommunications facility at 445 Prospect Street, Woodstock, Connecticut.

Dear First Selectman Walker:

The Connecticut Siting Council (Council) has scheduled a public hearing in your town in connection with the above-referenced proceeding. I am writing to invite you to participate in this hearing.

The Council fully understands that municipal input and guidance is absolutely necessary to achieve a thoughtful and balanced decision in matters such as this. Accordingly, I am extending to you my personal invitation to participate in the hearing that is scheduled on March 11, 2010.

Please be advised that the Council's processes enable the affected municipal governments to engage in meaningful discourse and, if they choose, to even assert a legal role in the proceedings of applications that come before the Council. Municipalities are afforded a right of pre-filed technical information and consultation with applicants 60 days before an application is filed with the Council. During this period the municipality may conduct public hearings and meetings, as it deems necessary. Both the municipal and applicant filings become part of the Council's record.

Once an application is filed with the Council at least one public hearing is held in the affected community as well as a public inspection of the proposed site. Your participation at such hearing may take many forms; municipal officials may make opening statements to the Council, present written documents, or may seek Party or Intervenor Status and put on a case with witnesses.

Our staff is available to assist you in understanding our process and your options. If you have questions, please contact Executive Director S. Derek Phelps (860 827-2935). In the event you have legal questions, please contact our Staff Attorney Melanie Bachman (860 827-2951) or our Assistant Attorney General Robert Marconi (860 827-2682).

CONNECTICUT SITING COUNCIL
Affirmative Action / Equal Opportunity Employer

The Council weighs many issues before rendering its decisions. It is important that we know the Town's views as part of that decision making process. We hope you will take part in our hearing process.

Sincerely,

Daniel F. Caruso
Chairman
