**Re: Proposed Development of a Telecommunications Facility
166 Pawcatuck Avenue, Stonington (Village of Pawcatuck), Connecticut**

Dear Selectman Haberek:

This office represents T-Mobile Northeast LLC, a subsidiary of T-Mobile USA, Inc. d.b.a. T-Mobile ("T-Mobile"). T-Mobile anticipates filing an application for a *Certificate of Environmental Compatibility and Public Need* for the construction, maintenance and operation of a telecommunications facility at 166 Pawcatuck Avenue, Stonington (the "Site"). Pursuant to Connecticut General Statutes § 16-50(e), please find enclosed a copy of the technical report regarding the Site. The technical report includes information regarding the public need for the facility, the site selection process, and the environmental effects of the facility.

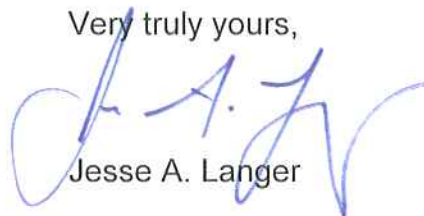

The Town of Stonington (the "Town") may conduct public hearings and meetings as it deems necessary to provide recommendations or comments to T-Mobile concerning the proposed Site. If a hearing or meeting is scheduled, we request notice and will be pleased to provide an informational summary of the proposal. If the Town has any recommendations or comments, it must provide them to us within sixty (60) days of the receipt of this filing.

We would like to meet with you or your designee to review the proposed project and will contact you next week to set up an appointment at your convenience.
