Re: Docket No. 401
Intervenor New Cingular Wireless PCS LLC ("AT&T")
Application for Certificate of Environmental Compatibility and Public Need
New Canaan, Connecticut

Dear Chairman Stein and Members of the Council:

At this time, AT&T respectfully withdraws its Intervention in Docket No. 401, T-Mobile's Application for a Certificate of Environmental Compatibility and Public Need for the above referenced facility. AT&T's intervention withdrawal is procedural only and made without prejudice to submit a petition for shared use of the facility at a later time as this site is still part of AT&T's future network plan for providing service to New Canaan.

On behalf of AT&T, we thank the Siting Council and Staff for their time and efforts in consideration of AT&T's Intervention.

Very truly yours,

Christopher B. Fisher
