RE: APPLICATION BY T-MOBILE
NORTHEAST LLC FOR A
CERTIFICATE OF ENVIRONMENTAL
COMPATIBILITY AND PUBLIC NEED
FOR A TELECOMMUNICATIONS FACILITY
AT 208 VALLEY ROAD IN THE TOWN
OF NEW CANAAN, CONNECTICUT

DOCKET NO. 401

Date: July 2, 2010

**MOTION FOR PROTECTIVE ORDER AND
MOTION TO FILE UNDER SEAL**

The applicant, T-Mobile Northeast LLC ("T-Mobile") respectfully moves the Connecticut Siting Council ("Council") to enter a protective order regarding T-Mobile's lease in connection with the above-captioned Application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a wireless telecommunications facility at 208 Valley Road, New Canaan, Connecticut ("Application"). T-Mobile further requests permission to file a copy of the lease relating to the Application under seal. In support of this Motion, T-Mobile states as follows:

1. General Statutes § 16-50o (c) provides in relevant part that "[t]he applicant shall submit into the record the full text of the terms of any agreement, and a statement of any consideration therefore, if not contained in such agreement, entered into by the applicant and any party to the certification proceeding, or any third party, in connection with the construction or operation of the facility. This provision shall not require the public disclosure of proprietary information or trade secrets." (Emphasis added.)

2. In accordance with § 16-50o (c), T-Mobile submitted a redacted version of the lease between T-Mobile and Silver Hill Hospital, INC. ("Lease") with the Application,

which was appended thereto as Exhibit B. The redacted portions of the Lease pertain to rental amounts and related financial information ("Confidential Information").

3. In passing upon the application for a Certificate of Environmental Compatibility and Public Need for a telecommunications facility, designated as Docket No. 366, the Council ruled that an applicant is required to disclose to the Council the specific rental amounts and related financial information, albeit subject to a protective order because such information constitutes a "trade secret."

4. Attached hereto as Exhibit A is the Affidavit of Hans Fiedler, 3G Project Manager for Connecticut and New England for T-Mobile Northeast LLC, stating that the Confidential Information contained in the Lease is proprietary and commercially sensitive information and that T-Mobile would be harmed by the disclosure of the Confidential Information. The Confidential Information constitutes "trade secrets" as defined by Connecticut law.

5. T-Mobile hereby submits with this Motion one (1) copy of the Lease regarding the Application without redaction, pursuant to the Council's ruling in Docket No. 366, which is contained in a sealed envelope that has upon it the caption and docket number for this Application and the wording "CONFIDENTIAL; BOUND BY PROTECTIVE ORDER ISSUED IN DOCKET NUMBER 401; DISCLOSURE LIMITED TO CONNECTICUT SITING COUNCIL AND ITS STAFF ONLY."

6. Pursuant to § 16-50o (c) and the Council's ruling in Docket No. 366, the un-redacted version of the Lease contains proprietary and confidential information and, accordingly, T-Mobile moves this Council for permission to file one (1) copy of the Lease, without redaction, under seal and for the Council and its staff's eyes only.

7. The Confidential Information shall be maintained under seal and kept confidential pursuant to the terms of the attached Protective Order. Any recipient of the Confidential Information shall execute the attached Non-Disclosure Agreement and shall otherwise be bound by the terms of the attached Protective Order.

WHEREFORE, T-Mobile respectfully moves the Council (1) to enter a protective order prohibiting anyone but the Council and its staff from reviewing the un-redacted Lease (and any copies thereof) and (2) for permission to file the Lease under seal and for the Council and its staff's eyes only.

Respectfully Submitted,

By:
