LEGAL NOTICE

Notice is hereby given, pursuant to Section 16-50(b) of the Connecticut General Statutes and Regulations pertaining thereto, of an Application to be submitted to the Connecticut Siting Council ("Council") on or about May 6, 2010, by Celco Partnership d/b/a Verizon Wireless ("Celco" or the "Applicant"). The Application proposes the installation of a wireless telecommunications facility in Cornwall, Connecticut. The installation would consist of a 100' x 100' leased area within a 41 acre parcel located at 16 Bell Road Extension, owned by Ralph Gulliver, Jr. At this site, Celco proposes to construct a 110-foot tower. Access to the site will extend from Bell Road over an existing gravel driveway a distance of 1,675 feet, then over a new gravel driveway extension an additional distance of 545 feet to the cell site. Celco will also install a 12' x 24' shelter located near the base of the tower to house its radio equipment and a back-up generator. The location and other features of the proposed facility are subject to change under provisions of Connecticut General Statutes § 16-50g et. seq.

On the day of the Siting Council public hearing on this proposal, Celco will fly a balloon at the height of the proposed tower described above. Interested parties and residents of the Town of Cornwall are invited to review the Application on or after May 6, 2010, during normal business hours at any of the following offices:
