RE: **DOCKET NO. 408** - New Cingular Wireless PCS, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located at 95 Balance Rock Road, Hartland, Connecticut.

---

During the public hearing held on May 16, 2011, the Connecticut Siting Council (Council) denied the Motion in Limine filed by Mr. Sirman dated May 12, 2011 seeking to exclude Mr. Daniel Goulet of C-Squared Systems as a witness for the applicant. Due to the unavailability of the applicant's witness, Mr. Anthony Wells, also of C-Squared Systems, Mr. Goulet adopted the exhibits and pre-filed testimony of Mr. Wells.

Briefs and proposed findings of fact may be filed with the Council by any party or intervenor no later than June 15, 2011. After the Council issues its draft findings of fact, parties and intervenors may identify errors or inconsistencies between the Council's draft findings of fact and the record. No new information, evidence or arguments will be considered by the Council. No reply briefs without the Council's permission will be considered by the Council. Members of the public who are not parties or intervenors to this proceeding may submit additional written comments to the Council on or before June 15, 2011.
