TO: Parties and Intervenors

FROM: Linda Roberts, Executive Director *LRoberts*

RE: **DOCKET NO. 428** – New Cingular Wireless PCS, LLC (AT&T) application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at one of two sites: Roxbury Tax Assessor Parcel ID #32-008 off of Route 67, Roxbury, Connecticut, or 126 Transylvania Road, Roxbury, Connecticut.

At a public meeting held on March 7, 2013, the Connecticut Siting Council (Council) voted to approve the Site A facility for the above-referenced matter. However, this item was tabled during the meeting of February 21, 2013 to allow parties and intervenors more time to comment on the draft Findings of Fact. Unfortunately, this item was not removed from the table on March 7, 2013 before the final Council vote was taken.

Accordingly, this item will be placed on the agenda for the public meeting scheduled for March 21, 2013. At that meeting, the matter will be removed from the table and the Council will render a final decision thereafter.
