RE: **DOCKET NO. 411** - New Cingular Wireless PCS, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and management of a telecommunications facility located at 1363 Boston Post Road, Old Saybrook, Connecticut.

---

This completeness review is submitted in compliance with the Federal Communications Commission Declaratory Ruling that completeness of an application be determined within 30 days of receipt.

### I. Introduction

The application was received from New Cingular Wireless PCS, LLC (AT&T), on November 1, 2010 for the construction, maintenance, and operation of a telecommunications facility and associated equipment in the Town of Old Saybrook, Connecticut. The proposed facility would provide coverage to portions of Route 1 (Boston Post Road), the Amtrak rail line, and local business, commercial properties.

The proposed facility consists of a 100-foot monopole located on an 7.5 -acre commercial parcel located at 1363 Boston Post Road.

### II. Technical

The application includes relevant maps, descriptions of the proposed site, costs, a description of the environmental effects of the proposed construction, and health and safety information. The application meets statutory technical requirements for processing the application. This project would not require an outside consultant.

### III. Administrative Review

The applicant has stated that all service and filing requirements pursuant to General Statutes § 16-50j (b) have been fulfilled. The applicant stated that notice to the general public was published in the Hartford Courant.
