TOWN OF BRIDGEWATER REQUEST FOR CONTINUANCE

The Town of Bridgewater requests a continuance of the presently scheduled hearing for Tuesday, September 13th, 2011 on the grounds that the undersigned received notice of the hearing several hours ago which was forwarded to him by Attorney Laub, counsel to the Applicant.

The notice which apparently was sent on July 21, 2011 was not received by Bridgewater's counsel's office. As a result, the Town is grossly unprepared to meaningfully participate in the proceedings. The Town's expert witness, Ronald Graiff, is out of the country in Italy for the next two weeks and the Town had intended to supplement its land use commission's report regarding wetlands impacts and substitute its wetlands enforcement officer as a witness in place of the chairman of the Wetlands Commission.

The Town does not desire to be an impediment to these proceedings but believes it has sincere issues regarding natural resources impacts to raise before the Council.

The Town requests a two week continuance to the next convenient date for the Council and the parties to these proceedings.

Respectfully Submitted,

Town of Bridgewater,
