Dear Attorney Laub:

Re: Docket 412
SBA Towers III Development and Management Plan
Wewaka Brook Road, Bridgewater, Connecticut

Dear Chairman Stein and Council Members:

On behalf of SBA Towers III ("SBA"), please accept this letter regarding the captioned Facility for which the Siting Council issued a Certificate of Environmental Compatibility and Public Need in Docket 412.

Condition 8 of the Decision and Order dated January 5, 2012 required the approved facility to be fully constructed and providing wireless services within eighteen months from the date of the mailing of the Council's Findings of Fact, Opinion, and Decision and Order. That date is estimated as July 5, 2013.

The Facility is fully funded and planned for construction by SBA this calendar year. In addition, AT&T has also fully funded its antennas and equipment and planned for installation this year as well. Accordingly, we respectfully request an extension of the Certificate deadline to the end of calendar year 2013 which will give SBA and AT&T sufficient time to complete construction and bring the approved Facility on air this year.

Should the Council or Staff have any questions regarding the foregoing please do not hesitate to contact me. Thank you for your consideration of the enclosed.

Very truly yours,
