LEGAL NOTICE

Notice is hereby given, pursuant to Section 16-501(b) of the Connecticut General Statutes and Regulations pertaining thereto, of an Application to be submitted to the Connecticut Siting Council ("Council") on or about December 10, 2010, by Cellco Partnership d/b/a Verizon Wireless ("Cellco" or the "Applicant"). The Application proposes the installation of a wireless telecommunications facility on an approximately 19 acre parcel at 723 Leetes Island Road in Branford, Connecticut. At this site, Cellco proposes to construct a 109-foot telecommunications tower disguised as a rustic-style water tank. Access to the site will extend from Leetes Island Road over a gravel driveway a distance of 350 feet to the cell site. Cellco will also install a 12' x 24' shelter inside a multi-carrier shed-like structure near the base of the tower. Cellco's shelter will house its radio equipment and a back-up generator. The facility will be shared by Cellco, AT&T and T-Mobile. The location and other features of the proposed facility are subject to change under provisions of Connecticut General Statutes § 16-50g et. seq.

On the day of the Siting Council public hearing on this proposal, Cellco will fly a balloon at the height of the proposed water tank structure described above. Interested parties and residents of the Towns of Branford and Guilford are invited to review the Application on or after December 13, 2010, during normal business hours at any of the following offices:
