## LEGAL NOTICE

Notice is hereby given, pursuant to Section 16-50l(b) of the Connecticut General Statutes and Regulations pertaining thereto, of an Application to be submitted to the Connecticut Siting Council ("Council") on or about January 28, 2011, by Cellco Partnership d/b/a Verizon Wireless ("Cellco" or the "Applicant"). The Application proposes the relocation of an existing wireless telecommunications facility on property at 87 West Quasset Road in the Town of Woodstock, Connecticut. The relocated facility will consist of a new 150-foot monopole tower within a 50' x 50' fenced compound in the central portion of an approximately 29.5 acre parcel owned by Quasset Hill Farm LLC. The replacement tower will be located approximately 695 feet northwest of the current tower location. Access to the relocated facility will extend from Quasset Hill Road, along an existing dirt and gravel driveway, to the cell site, a distance of approximately 1,625 feet. Cellco will install fifteen (15) antennas at the top of the tower and a new 12' x 24' shelter near the base of the tower. This shelter will house Cellco's radio equipment and a back-up generator. The location and other features of the proposed facility are subject to change under provisions of Connecticut General Statutes § 16-50g et. seq.

On the day selected for the Siting Council public hearing on this proposal, Cellco will fly a balloon at the height of the proposed tower. Interested parties and residents of the Town of Woodstock are invited to review the Application during normal business hours at any of the following offices:
