for a Certificate of Environmental Compatibility and Public  
Need for a Telecommunications Facility at Moose Hill Road  
in the town of Guilford, Connecticut***

Dear Ms. Roberts:

I write on behalf of the Applicant, T-Mobile Northeast LLC ("T-Mobile"), regarding the draft findings of fact issued by the Connecticut Siting Council ("Council") for the proposed telecommunications facility at Moose Hill Road, Guilford, Connecticut. T-Mobile respectfully submits the following proposed changes to the findings of fact.

**Draft Finding of Fact 14.** T-Mobile communicated with the Guilford Preservation Alliance ("Alliance"); however, the Alliance declined to meet with T-Mobile regarding the Facility. T-Mobile respectfully requests that this fact be included in the findings of fact.

**Draft Finding of Fact 43.** The proposed finding states that T-Mobile proposes to construct a 50 x 50 compound within a 52 x 52 lease area. However, T-Mobile proposes to construct a 50 x 50 compound within a 50 x 60 lease area.

Please let me know if you have any questions.

Very truly yours,

  
Jesse A. Langer
