**RE: Transfer of Certificates of Environmental Compatibility and Public Need
Docket Nos. 393, 399, and 417**

Dear Chairman Stein:

In Docket Nos. 393, 399, and 417, the Connecticut Siting Council (the “Council”) granted to T-Mobile Northeast, LLC (“T-Mobile”) a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunication facility at each of the following locations (the “Certificates”):

1. Docket No. 393, 61-1 Buttonball Road, Old Lyme, issued on Sept. 23, 2010;
2. Docket No. 399, 166 Pawcatuck Avenue, Pawcatuck (Stonington), issued on Aug. 26, 2010; and,
3. Docket No. 417, Moose Hill Road, Guilford, issued on Oct. 6, 2011.

Pursuant to Conn. Gen. Stat. § 16-50k(b), Bay Communications II LLC (“Bay Communications”) hereby requests the Council approve the transfer of the Certificates from T-Mobile to Bay Communications.

Bay Communications, a Delaware limited liability company, focuses on developing, owning, and operating telecommunications towers in the Northeastern United States. The principals and employees of Bay Communications have been involved in the development of over 1,500 sites for wireless telecommunications carriers and municipalities throughout the Northeast.

Bay Communications agrees to assume all obligations and liabilities associated with the Certificates and will comply with all of the terms, limitations and conditions set forth by the Council in the Certificates.

If the transfer of the Certificates is granted by the Council, Bay Communications will diligently pursue construction of the towers. Should you require any further information, please contact me. Thank you for your assistance with this matter.

Very truly yours,

BROWN RUDNICK LLP
