Re: **Docket No. 419 – Application Of Cellco Partnership d/b/a Verizon Wireless For A Certificate Of Environmental Compatibility And Public Need For The Construction, Maintenance And Operation Of A Wireless Telecommunications Facility In Waterford, Connecticut**

Dear Ms. Roberts:

On behalf of the applicant, Cellco Partnership d/b/a Verizon Wireless (“Cellco”), I write to formally withdraw the above-referenced application and request that the Council cancel the hearing scheduled for August 9, 2011. Cellco’s real estate representatives have been in contact with its landlords, one of which is the Town of Waterford and notified them of this withdrawal. Finally, in an effort to keep the public informed, Cellco has directed its consultants to post a “Hearing Cancelled” notice on the public hearing sign that is currently posted along Old Colchester Road at the Site 1 and Site 2 entrance driveways.

I apologize for any inconvenience this withdrawal creates for the Council. Please feel free to contact me if you have any questions.

Sincerely,

Kenneth C. Baldwin
